As there may be a health hazard involved at the time of insecticide application, we require that you vacate your premises **from _____ A.M. until _____ P.M. on _____ 2025**

Remove ALL items from LOWER kitchen cupboards and place them on counter tops or kitchen table and cover with plastic film, sheets or blankets.
Move all furniture or other items at least one foot away from walls in all rooms including basement to allow access to baseboards.

Remove all items from floors of linen, broom and storage closets to allow access to baseboards.

Remove all items from bathroom vanities and place on top of vanity or in the bathtub and cover with plastic, blankets or sheets

Remove all curtains from windows (vertical blinds do not have to be removed). Also, remove all electrical plates (light & plug-in) on interior perimeter walls.

All pets must be removed from the home for the time period shown above. Fish tanks (if any) should have their air pumps shut off and tank openings sealed with plastic film.

Children's toys should be placed in plastic bags or covered toy boxes.

If possible, remove basement exterior perimeter ceiling tiles and any insulation by sill plate.

EXTERIOR

Trim all trees and shrubs so that they do not come within 2 inches of contact of exterior walls of house or attached garages.

NOTE

On re-entry to your home, no wash-up is required. However, non-adhesive shelving paper or paper towels should be placed in lower kitchen cupboards before returning any items. If you require medical information regarding insecticides, please contact Poison Control Center at 1-800-332-1414 for chemical information please contact Edmonton Exterminators Ltd.
